

Channel 9

Channel 9 is an educational and governmental cable channel franchised to the City of Vineland by our local cable operator, Comcast of South Jersey, LLC. Broadcasting to the entire Vineland area and slightly beyond city limits, Channel 9 provides programs and information related to the Vineland municipal government, such as public meetings and messages from various City departments. Channel 9 also broadcasts educational programs, such as public school events and telecourses at the county college. Channel 9 also provides local weather, date and time. The Channel 9 [Schedule of Events](#) is maintained by Vineland Public Schools.

Channel 9 debuted on the air in September 1997 and is operated by the following parties:

- City of Vineland
- Cumberland County College
- Vineland Public Schools

Channel 9 is also supported and regulated by the following parties:

- Comcast of South Jersey, LLC
- City of Vineland Cable Advisory Committee
