ACCESS TO GOVERNMENT RECORDS Information – Instructions – Fees

In order to request access to government records under OPRA, you must complete all the required portions of this request, date it and deliver it in person during regular business hours or by mail, fax or electronically to the City of Vineland Custodian of Records or Deputy Custodian of Records. The Municipal Clerk is the Custodian of Records and the following positions are Deputy Custodians of Records: Police Chief; Fire Chief; City Engineer; City Planner; Tax Assessor; Tax Collector; Deputy Registrar. If you submit a request for access to government records to someone other than the appropriate custodian, if you do not complete the City of Vineland request form, or attempt to make a request for access by telephone, the Open Public Records Act and its deadlines, restrictions and remedies will not apply to your request. If the requestor is seeking government records that may contain personal information pertaining to a victim of a crime or the victim's family, the requestor must certify that he or she has not been convicted of any indictable offense under the laws of New Jersey, any other state or the United States.

In general:

The term "public records" generally includes those records determined to be public in accordance with *N.J.S.A. 47:1A-1* et seq. The term does not include personnel files, police investigation records, public assistance files or other matters in which there is a right of privacy or confidentiality or inter-agency or intra-agency advisory, consultative, or deliberative or other material which is specifically exempted by law.

Some records will be immediately available during normal business hours. Some records may require time to compile and make the copies requested, but will normally be available within seven (7) business days.

- Immediate access is ordinarily available for budgets, bills, vouchers, contracts, including collective negotiations agreements and individual employment contracts, and public employee salary and overtime information. Minutes of public meetings will generally be available immediately after the minutes have been approved.
- Records which are not readily available or which will require a search of records will be made available as soon as possible and the applicant will be provided with an interim report, Records Request Response, within seven (7) business days indicating the time needed to provide the records.

There is no fee involved in simply inspecting a document during normal business hours. Copies and some records requested have specific fees or other response times established by statute or by municipal ordinance.
