

# PUBLIC MEETING

## Partnership Program to Eradicate Parrotfeather

U.S. Fish & Wildlife Service Partners program, in partnership with the City of Vineland, the Vineland Environmental Commission, and Citizens United to Protect the Maurice River and Its Tributaries Inc., will be hosting a public informational meeting to learn about parrotfeather, (*Myriophyllum aquaticum*), an invasive aquatic weed, and the plans to eradicate it from the Menantico Creek.

The public is encouraged to attend.
