Compost sites are for residents only.
 Due to uncontrollable dumping, contractors are not permitted to dump materials at the compost sites. If you have a contractor doing yard clean-up, the contractor may place leaves and brush at the curbside in accordance with Stormwater Regulations.

For more information or to request a brochure, contact the City of Vineland Public Works Office at either 794-4250 or 794-4089.

Leaves
 During the months of November, December and January, only leaves will be picked up. Do not mix leaves with branches, yard clippings or trash. Your leaves will not be removed if the piles are mixed.

Grass
 May be bagged and put to the curbside with your household trash on regularly scheduled trash pick-up days. Loose grass may be dumped by residents at the Union Road Compost Site. **Note:** When DEP limits are reached, this site will close.

Branches
 Must be 5" in diameter or less, maximum 5' in length. No stumps. Do not mix branches with leaves. Large piles from lot clearances will not be removed. Materials to be picked up must be at curbside before the crew passes through your neighborhood. The crew will not return to your neighborhood.
