

CITY OF VINELAND APPROVAL EXTENSION REQUEST
For All Site and Subdivision Plan Approvals

Directions to Applicant:

Complete this form in its entirety (preferably typed). Along with this completed form attach written exhibits as follows:

- a) A current Surety Inspection Report from the Planning Division (if available)
- b) An explanation stating specifically what activity or progress has been made on the application since the date of the original approval including, but not limited to, site plan, financing and agreements with contractors.
- c) An explanation setting forth any unusual circumstances causing delay of the project.
- d) The reasons why the Zoning Board or Planning Board should favorably consider your request for an extension, as well as what site improvements would be completed within the extension period, if the Board were to grant your request.

Once complete, submit the original and ten (10) copies to the applicable Board Secretary, preferably 90 days prior to the expiration of your current approval. This is to ensure the Planning or Zoning Board has ample time to respond to your request, and for you to provide additional information or to make an appearance if required by the Planning or Zoning Board.
