HEARING NOTICE**

The City of Vineland, a Municipal Corporation of the State of New Jersey by way of a Complaint against Debra Schaser, her heirs, devisees and personal representatives, and their or any of their successors in right, title and interest, and unknown owners/unknown claimants, their heirs, devisees and personal representatives, and their or any of their successors in right, title and interest says:

1. The above property has been the subject of an inspection by a Code Enforcement Officer for the City of Vineland Department of License and Inspections, Code Enforcement Division, pursuant to 537-3 of the Code of the City of Vineland for the condition of the building(s) and premises located thereon, and the structure located thereon declared to be an unsafe structure.
2. The aforementioned inspection disclosed that the building(s) is unfit for human habitation, occupancy or use and is dangerous to the life, health, property or safety of the public.
3. Inspections of said building(s) disclosed conditions which increase the hazards of fire, accident, injury or death to the occupants, and other calamities.
4. The building(s) are fire damaged and are deteriorating.
5. The property remains in a blighted condition, continues to be unfit for human habitation, occupancy and use, and continues to negatively impact property values in the area.
6. The building(s) in its present condition, without renovations, demolition or correction of the code violations makes same dangerous to the health and safety of persons on or near said property.
7. As the result of a hearing held on September 17, 2026, at which the property owner and her contractor were present and provided an opportunity to testify, the Public Officer determined that the property and structures thereon were unfit for human habitation, occupancy or use and Ordered the structure(s) to be renovated by March 17, 2026 or demolished by April 17, 2026. The structure(s) have not been rendered weatherproof and continue to deteriorate. The property owner has failed to renovate or demolish the structure(s) or otherwise comply with the September 17, 2026 Order of the Public Officer. The structure(s) continue to be dangerous to the health safety of persons on or near said property and the property remains in a blighted condition negatively impacting property

values in the area. The property and structure(s) thereon remain unfit for human habitation, occupancy or use.

PLEASE BE ADVISED that a hearing will be held before the Public Officer of the City of Vineland (or his designee) in the Conference Room located in the Economic Development Offices on the Fourth Floor of City Hall, 640 E. Wood Street, Vineland, New Jersey on September 15, 2026 at 12:00 noon. The purpose of this hearing is to determine whether the subject property is in need of demolition of said structure(s) and, if so, the City may cause the subject building(s) to be removed or demolished with the cost of demolition being a lien upon the property.

YOU ARE FURTHER NOTICED that you have the right to file an answer in writing to the above complaint and to appear in person and give testimony at the time and place fixed herein. The New Jersey Rules of Evidence shall not apply to the hearing hereinabove scheduled.
